## *Bank Draft*

I, \_\_\_\_\_, give Topisaw Creek Water Assn. permission to draft my monthly payment from my bank account. I have provided a voided check with the information needed to do the draft. I understand that my account will be drafted on the 10<sup>th</sup> of each month for the full amount of my bill. I also understand that if the bank returns the draft for insufficient funds, or any other reason I will be held responsible.
